

## INTERNATIONAL SCIENTIFIC FORUM

International Forum «Rehabilitation and restoration of degraded forests» will be held at S. Seifullin Kazakh Agro Technical University on the 8-12<sup>th</sup> of June 2015. The Forum is held under the support of the following organizations: Turkish Cooperation and Coordination Agency (TIKA), Astana-Kazakhstan, Committee of Forestry and Wildlife of the Republic of Kazakhstan, Association of Forestry and Forest Products of the Republic of Kazakhstan "Zhasyl Orman", Joint Stock Company "Astana-Zelenstroy", LLP Kazakh Scientific Research Institute of Forestry and Agromelioration (LLP KazSRIFA), General Directorate of Combating Desertification and Erosion, Ankara-Turkey, Forestry General Directorate, Ankara-Turkey, United Nations Development Program in Kazakhstan (UNDP), United Nations Convention to Combat Desertification (UNCCD), International Union Forest Research Organizations (IUFRO), Austria, European Forest Institute (EFI), Finland as well as S. Seifullin Kazakh Agro Technical University.

The aim of this event is to increase political and public awareness of forest degradation and desertification as well as exchange views on measures for stabilization of these processes in different regions of the world.

The forum will be attended by experts from leading universities and organizations in the field of forestry from the USA, Slovakia, Italy, Germany, Czech Republic, Poland, Turkey, Nigeria, Morocco, Iran, Russian Federation, Uzbekistan, Kyrgyzstan and Kazakhstan will take part at this event.

Planting trees has become a tradition at the university in connection with which, during passing the Forum it is planned to plant 20 trees in the main campus. In the lobby of the main building for the first time it will be organized an exhibition of achievements in the field of forestry, landscaping and floriculture.

Information in detail you'll find on the website of the Forum:
